Teemu Rajaniemi

IT Specialist — Software Development, Web & Project Work

BBA, Business Information Technology • Oulu University of Applied Sciences • Graduated December 2025

PROFILE

Bachelor of Business Administration (Business Information Technology) graduate from Oulu University of Applied Sciences, with hands-on experience in web development, game programming and UI/UX design. I combine technical skills (HTML, CSS, JavaScript, C#, Unity) with project management skills (Google Project Management certificate, Agile/Scrum). Motivated to learn quickly and take on responsibility across varied IT roles. I keep my skills sharp through my own projects, including a webstore and a Unity game currently in progress.
